Turn delicious Oreos into  
your fave emojis!

## INGREDIENTS

THIS MAKES 8 COOKIE POPS

- ★ 200g white chocolate
- ★ 1 packet of Oreos
- ★ Yellow food colouring
- ★ Lolly sticks or kebab skewers
- ★ Black and red writing icing
- ★ Red heart sprinkles

# EMOJI COOKIE POPS!

## INSTRUCTIONS

1. Melt a quarter of the chocolate in a bowl in the microwave. Once melted, stir in a few drops of yellow colouring.
2. Separate the Oreos by gently twisting them, then put a blob of chocolate in the middle of half of the cookies. Press the end of the skewer or lolly stick into the melted chocolate then press the other half of the cookie back on top. Place in the fridge for one hour to set.
3. Once the skewer has set in the cookie, you're ready to dip them. Melt the rest of the chocolate the same way as before, with more colouring. Make sure each pop is fully coated, then place in the fridge to harden.
4. Finally, use the writing icing to draw on your favourite emoji faces. Add some heart sprinkles as eyes and kisses.

## DANCE OFF

Calling all new Dance Moms members, Mackenzie Ziegler has some advice for you. In case you missed it, the series that launched the careers of our fave stars – including Jojo, Maddie Ziegler and more – is returning for its eighth series, and the former cast member has some advice for the new dancers. “Just don’t cry,” she says. “You might tear up a little bit, but stay strong and don’t listen to all the criticism happening. Just have fun with it.” Wise words, Mackenzie!

Dance your heart out!

Ignore the haters!

## GO JESY

As a member of the world’s biggest girl band, **Jesy** from Little Mix is no stranger to dealing with life online. So it’s not surprising that the star will be presenting a new documentary for the BBC, looking at the issues facing young people, including the pressure from social media, body image expectations and people making horrible comments online. As part of the programme, Jesy will share her own experiences and talk to young people who have been affected. Go Jesy!

# TOTALLY WICKED

**M**Meet your fave new Descendants 3 actress: **Jadah Marie**. The 13-year-old will be playing Celia, a **new villain kid** and daughter of Dr Facilier from **The Princess and the Frog**. It looks like Celia will be stirring up some major trouble.

**2 HOW DOES SHE GET ON WITH HER VILLAIN DAD?**

"She's a daddy's girl. She literally copies her dad, from the top of her hat to the bottom of her feet. She's very much Dr Facilier's daughter."

**1 SO WHAT'S SHE LIKE?**

"She's very mischievous," says Jadah. "She's very streetwise, and she's very funny. She's hilarious, as you will see in the movie. She will crack you up. But she's honestly just an awesome person, and I feel like I relate to her so much."

**3 HER COSTUME LOOKS FAB! TELL US MORE...**

"It pays tribute to the original Princess and the Frog movie. On the side, she has a trusty little sidekick - her own voodoo doll, like her dad. On her top hat, there's a skull and there's patterns and bright colours."

WE CAN'T WAIT TO SEE WHAT CELIA GETS UP TO IN DESCENDANTS 3. ONE THING'S FOR SURE, THIS MOVIE WILL BE SPELLBINDING!

Disney **DESCENDANTS 3** will premiere this year on **Disney Channel**

# YOUTU

## MORIAH ELIZABETH

**DO YOU LOVE BEING A YOUTUBER?**

YouTubing is my dream job. There's nothing I'd rather do. I'm free to create and do what I love. I couldn't be more grateful.

**DO YOU LIKE THE DAY OR THE NIGHT?**

I'm not a morning person at all. I hate it. I really like the night.

**WOULD YOU RATHER BURN ALL YOUR SQUISHIES OR DELETE YOUR CHANNEL?**

Gasp! I'd have to burn all my squishies. Nooooo!

**WHAT STARTED YOU FILMING SQUISHY MAKEOVERS?**

Everybody doing it was using these really nice-looking squishies, so I thought it would be interesting to do ugly, cheaper squishies. It would be like a squishy makeover.

**DO YOU EVER FEEL LIKE YOU'RE NOT GOOD ENOUGH?**

Yes, of course. I'm pretty sure everyone feels like that sometimes.

**DO YOU LIKE WRITING YOUR BOOKS OR DOING SQUISHIES THE MOST?**

Both. If I had to do the same thing all the time, I'd get really bored.

**WHAT'S YOUR FAVOURITE SQUISHY THAT YOU HAVE DECORATED?**

Oh, the agony! I'm going to say the cat ice cream cone. But honestly, there are so many that I love.

Looks good enough to eat...

## ARE YOU WOODY OR FORKY?

Do you want to fit in like Woody and the other toys, or are you happy to do your own thing, just like Forky?

Circle your personal worst for each situation.

## WHICH WOULD BE WORSE?

- A** Being ten minutes late
- B** Being an hour early

- A** Being dressed too casually
- B** Being too dressed up

- A** Not giving in your homework
- B** Getting a terrible grade for your homework

- A** Losing your coat
- B** Wearing a dorky coat

- A** Giving a cold to someone
- B** Catching a cold from someone

- A** Forgetting someone's name
- B** Someone forgetting your name

## MOSTLY As

You're thoughtful, kind and considerate like Woody, but sometimes too wrapped up in what other people want. Try thinking about yourself occasionally.

## MOSTLY Bs

Just like Forky, you don't worry about what people think about you. Thinking about others sometimes really doesn't hurt. Honest, guv!

# HOW TO LIVE happily ever after

No Genies needed!

## 1 Be passionate

When you feel strongly about something, you feel excited. Keep trying things that interest you. Once you find what you're passionate about and start doing it, you'll know that happily ever after isn't just in movies.

## 2 Stop worrying

Stop stressing about what hasn't happened and what might not even happen. Worrying about the future stops you from living happily ever after right now!

3

## Find someone to look up to

We could all do with someone to look up to. Think of someone you admire who's made their own happy ever after. It could be your mum, your aunt or even a teacher.

4

## Find ways to make the world better

Making our planet a better place is a sure-fire way of living happily ever after. Even small acts of kindness count, so do something nice for someone else today.

5

## You've got the power

All of us have the power to write our own story. If you don't like where yours is going, change it. You're in charge of the beginning, the middle and the happy ending. Woo hoo!

YOU

Take ten minutes to doodle something magical like a unicorn, a narwhal, a mermaid or whatever. Then check the next page to find out what your scribbles say about your personality.

# WHAT YOUR MAGICAL SCRIBBLES SAY

# BBLINGS REVEAL!

see what your doodles say about you.

If your doodles take up the whole space, you're really outgoing. If they're squished into a corner, you can be a little on the quiet side.

Drawing lots of different creatures means that you have big dreams you want to chase. You're prepared to work hard to make them come true.

If you draw creatures with lots of detail then it means you love nothing better than spending quality time with your family and friends! Aw!

Doodling surroundings such as rainbows, stars, flowers or waves means you're always friendly and welcoming. Drawing hearts means you've got a good heart and will always put others first.

Your creatures' expressions show how you're feeling. If you draw them with big smiles then you're feeling all the LOLs. If they're on the sad side, make some time to do something you love.

If you draw your creatures in neat rows, you tend to like things to be just how you want them. If they're all over the place you're creative and also a little bit messy!

If you've doodled names for your creatures, then you have a great attention to detail. You also love writing and making stories up.

If you've added details like the sun, clouds or rain, it means you really want to be somewhere else right now. Start planning some serious time out.
